SUNDAY, March 20, 2016

Photographers Admission : 8:00 am to 9:00 am

Public Admission : 9:00 am to 5:00 pm

Show teardown : 5:15 pm

SHOW RULES

1. Orchidexpo 2016 is sanctioned by the American Orchid Society, following the rules of the AOS Handbook on Judging and Exhibition and following the provisional rules of the AOS *Judging Committee*.
2. Upon registration, each exhibitor commits himself to respect the rules of this show.
3. Any question or litigation concerning the interpretation or the application of the present rules must be submitted to the Show President or to the Judging President, depending on the motif. Decisions are final and without appeal. The French version of the Show rules has precedence over the English version for any interpretation or application purposes.
4. Exhibitors must express the space needed for their exhibit or the number of sale tables needed. They must officially inform in writing

André Poliquin
119, Oakwood, St-Bruno, Québec, Canada, J3V 3J6
Tel: (450) 653-5416.
E-mail : mor-pol@sympatico.ca
5. Registrations that do not respect the official classification will be disqualified.
6. Identification cards for all exhibitors will be provided by Les Orchidophiles de Montréal. No other type of identification will be allowed in the Exhibition Hall.
7. Tables for exhibits will be provided free of charge. However, canvas, decorative plants and others must be provided by the exhibitor.
8. Reasonable efforts will be made to give each exhibitor the space needed for his exhibit.
9. Decorative lighting must be provided by the exhibitor and is under his responsibility. It must be approved by the floor Director. Any lighting modifying the colors will eventually be turned off during judgment.
10. The Floor Director has the right to remove any exhibit or part of exhibit of insufficient quality.
11. Registration and help form organizers is free of charge.
12. No registration will be accepted for judging after 8:30 pm, Friday, March 18, 2016. Articles not registered in due time will be exhibited but not judged for show trophies. Registration forms can be sent by fax before 5:00 pm, Thursday, March 17, 2016 to :

André Poliquin (450) 653-5416

13. No screen, curtain or partition is supplied. Nothing can be suspended or fixed to existing walls. Exhibitors must supply all their exhibit material. Any reasonable material is allowed.
14. Orchids must be the only flower plants of exhibits, except for corsages; in this category, orchids must predominate.
15. Set-up is allowed during the scheduled period. All plants must be in place by 12:00 pm, Friday, March 18, 2016.
16. Any plant or cut flower shipment for exhibition purposes by Les Orchidophiles de Montréal for absent exhibitors must be received before 6:00 pm, Friday, March 18, 2016. Arrangements must have been made at least a week before the show with the Show President.
17. Vendors selling orchids during the show must make an exhibit of a size relative to their number of sales tables. These tables are available at 200\$ each.
18. Classes are open to all, except those which, in the catalogue, require an eligibility condition.
19. Entries in the Artistic Division (classes 300 through 309) must be the exhibitor's original creations.
20. Class 307 is open only to valid members of Les Orchidophiles de Montréal.
21. Registration for judging purposes will take place from 3:00 pm to 8:00 pm, Friday, March 18, 2016.
22. The class to which a plant belongs to is determined by the smallest possible class number, depending on the cross.
23. A plant can only be registered in one class. However, a plant registered in the Fragrance category can also be registered in another category for judging.
24. Any registration in classes 1, 2, 3 and 4 can also be made in category 6 (Guest Orchid Society) if it complies with the class conditions.
25. Any plant to be judged must be identified by its genus and species name and, in the case of hybrids, by its hybrid name. Mericlones and awarded plants must be identified as such.
26. Any plant submitted for judging must belong to the exhibitor for at least three (3) months.
27. An amateur is a person cultivating orchids as a hobby and who does not sell more than 50 orchids per year.
28. Hybrid means intrageneric hybrid (more than one species of the same genus in its ancestry). Intergeneric hybrids or intergenerics refer to hybrids made of species ancestors belonging to different genera.

29. Only the judges, their aides and authorized personnel can be on the exhibition floor at the time of the judging.
30. Judges and judging aides must acquaint themselves with the show rules.
31. Ribbons will be given to the first, second and third places of each category, at the judges' discretion ; however, only one first place ribbon can be awarded for each category. Rosettes and/or trophies will be given as mentioned.
32. Judges have the authority to give or not to give any ribbon, award or trophy, as well as to subdivide any category.
33. In addition to ribbons and/or trophies given by the judges, plants and flowers could eventually receive mentions from the American Orchid Society. Upon presenting an article, each exhibitor accepts to receive any given mention and to pay the associated costs to the American Orchid Society. If the exhibitor does not wish to accept such mention, he must specify " No AOS judgment " on the registration form. Plants with an inflorescence already presented and submitted to AOS judging are non admissible to AOS mentions and should be identified as " No AOS judgment ".
34. Inscription tags must be removed from the exhibits at the end of the judgment and before the public admission.
35. Les Orchidophiles de Montréal and the Cégep de Maisonneuve are not responsible for any theft or damage to plants, flowers, pots, exhibits or any object belonging to exhibitors. However, all possible necessary precautions will be taken to prevent such losses or damages.
36. All plants, exhibits and other objects presented must be in place until 5:15 pm, Sunday March 20, 2016, have they been sold or not.
37. Any material returned at the demand of an exhibitor will be at his own expenses. The Show Director will dispose as he sees fit of any material not claimed or for which no agreement will have taken place about its disposal.
38. Access to the exhibition site and to the sales area is free of charge to all members of Les Orchidophiles de Montréal wearing their valid membership card.

REGISTRATION PROCEDURE

1. The exhibitor must go to Les Orchidophiles de Montréal's 'Table d'accueil' to get his exhibit location and, if applicable, his sales table location and other documents.
2. Exhibitors must use the registration sheet as required and write legibly.
3. Identify oneself as an exhibitor OR the represented Society.
4. For each registered item, write the category number (# Catég / Class #). Write the name of each registered plant. If the plant is a hybrid, write the parents' names after the hybrid's name. If the plant has received an award, write its acronym (AM, HCC, FCC, etc). DO NOT WRITE IN THE OTHER SPACES.
5. A classification list of the genera is available in the registration room.

WHEN IN DOUBT, ASK FOR HELP !!!

6. Return the registration sheets to the inscription aides. You will be given a stand number (# Stand), an exhibitor number (# Exposant) and a tag number (Étiquette / Tag) for each registered item.
7. After the registration, exhibitors will receive a tag for each registered item. Exhibitors must check these tags, make the corrections as needed and give them back to a registration aide before the end of the registration period.
8. Each exhibitor of a group exhibit or a Society must use a separate registration form and receive his own exhibitor number (Exposant). There will only be one stand number (# Stand).
9. If in need of help or information, please ask the registration aides.
10. ONLY THE REGISTRATION AIDES HAVE ACCESS TO THE ADJUDICATION ROOM.

PRE-REGISTRATION

1. Send your plant registration forms by regular mail. Make sure they arrive at the latest on Thursday March 17, 2016. Be especially careful if you send your information from the U.S. since it can take more that 10 days for regular mail to be delivered in Canada. Send your forms to

André Poliquin
119 Oakwood, St-Bruno, Qc J3V 3J6

OR

3. Send your plant registration forms by email to

mor-pol@sympatico.ca

Make sure that they arrive before 5:00 pm on Thursday March 17, 2016.

PRIZES

Ribbons for first, second and third places will be given on each plant's own merit.

A rosette and/or trophy will be given to the best of each of the following classes:

- o Amateur Exhibit (classes 1 to 4)
- o Vendor Exhibit (class 5)
- o Orchid Society Exhibit (class 6)
- o Educational Exhibit (class 7)
- o Professional flower arrangement (class 8)
- o Cattleya Alliance (classes 15 to 32)
- o Cypripedium Alliance (classes 33 to 44b)
- o Vanda Alliance (classes 45 to 60)
- o Phalaenopsis et Doritis (classes 61 to 77)
- o Oncidium Alliance (classes 78 to 91)
- o Cymbidium Alliance (classes 92 to 102)
- o Dendrobium Alliance (classes 103 to 109)
- o Pleurothallid Alliance (classes 110 to 111a)
- o Other Genera (classes 112 to 117)
- o Fragrance (class 400, stand 215) (*)
- o Artistic Division (classes 300 to 306 and 309) (*)
- o Slide / Digital photography (class 307) (*)

SPECIAL PRIZES :

- o Best Plant - Henry Teucher Trophy (classes 15 to 118)
- o Best Species Plant - Orchidexpo Trophy (classes 15 to 118)
- o Best Specimen Plant – Raymond Gauthier Trophy (classes 15 to 118)
- o Best Miniature Plant – Marc-André Brassard Trophy (classes 33 to 117)
- o Best Exhibit - President's Trophy (classes 1 to 8)
- o Best Plant of Les Orchidophiles de Montréal Exhibit - Denise Des Trois Maisons Trophy
- o Best Cypripedium plant of Les Orchidophiles de Montréal Exhibit - Gisèle Laramée Trophy

(*) prizes awarded by Les Orchidophiles de Montréal

UNLESS SPECIFIED OTHERWISE BY AN EXHIBITOR, ALL PRESENTED PLANTS AND AXHIBITS WILL BE ELIGIBLE TO THESE PRIZES AT THE JUDGES' DISCRETION.

LIST OF CLASSES

EXHIBITS

- 1 - Amateur exhibit - 1 to 5 plants
- 2 - Amateur exhibit - 6 to 15 plants
- 3 - Amateur exhibit - 16 to 25 plants
- 4 - Amateur exhibit - more than 25 plants
- 5 - Merchant, grower exhibit
- 6 - Guest Orchid Society
- 7 - Educational exhibit
- 8 - Flower arrangements - Professionals (florists, teachers, students)

Best amateur exhibit	(classes 1 to 4)
Best grower exhibit	(class 5)
Best orchid society exhibit	(class 6)
Best educational exhibit	(class 7)
Best flower arrangement	(class 8)
Best exhibit - President's Trophy	(classes 1 to 8)

CATTLEYA ALLIANCE

- 15 - Epidendrum species
- 16 - Encyclia species
- 17 - Epidendrum and Encyclia hybrids
- 18 - Epidendrum and Encyclia intergeneric hybrids
- 19- Brassavola (including Rhycholaelia) - species, hybrids and intergeneric hybrids other than above but excluding Cattleya
- 20 - Broughtonia species, hybrids and intergeneric hybrids other than above excluding Cattleya
- 21 - Laelia species, hybrids and intergeneric hybrids other than above but excluding Cattleya
- 22 - Sophronitis - species, hybrids and intergeneric hybrids other than above but excluding Cattleya
- 23 - Cattleya species
- 23a Cattleya allied genera species other than above

- 24 - Cattleya hybrids and intergenerics other than above - White
- 25 - Cattleya hybrids and intergenerics other than above - Semi-alba (White with red/purple-colored lip)
- 26 - Cattleya hybrids and intergenerics other than above - Red/Red-Lavender
- 27 - Cattleya hybrids and intergenerics other than above - Yellow/Orange
- 28 - Cattleya hybrids and intergenerics other than above - Green
- 29 - Cattleya hybrids and intergenerics other than above - Lavender/Mauve/Purple
- 30 - Cattleya hybrids and intergenerics other than above - " Splash " any color
- 30a - Cattleya hybrids and intergenerics other than above - Other colors
- 31- Allied Cattleya genera hybrids and intergenerics other than above
- 32- Allied Cattleya genera species, hybrids and intergenerics - Miniatures - total height of plant 10 inches (25 cm) or less excluding inflorescence. Any genus or hybrid listed above

<p>Best of Cattleya Alliance (classes 15 to 32)</p>
--

CYPRIPEDIUM ALLIANCE

- 33 - Paphiopedilum species - sub-genus Brachypetalum (including Parvisepalum) (1)
- 34 - Paphiopedilum species – multiflorals - sections Coryopedilum and Pardatopetalum (2)
- 34a- Paphiopedilum species – insigne group (3)
- 35 - Paphiopedilum - species other than above
- 36 - Paphiopedilum primary and complex hybrids – Vinicolors (4)
- 37a- Paphiopedilum primary hybrids - White (4)
- 37b- Paphiopedilum primary hybrids – Green/Yellow (4)
- 37c- Paphiopedilum primary hybrids – Bronze/Mahogany (4)
- 37d- Paphiopedilum primary hybrids – Red/Pink (4)
- 37e- Paphiopedilum primary hybrids – Other colors (4)
- 38a- Paphiopedilum complex hybrids - White (4)
- 38b- Paphiopedilum complex hybrids – Green/Yellow (4)

- 38c- Paphiopedilum complex hybrids – Bronze/Mahogany (4)
 - 38d- Paphiopedilum complex hybrids – Red/Pink (4)
 - 38e- Paphiopedilum complex hybrids – Other colors (4)
 - 44a- Phragmipedium species - long petal type (minimum petal length: 15cm)
 - 44b- Phragmipedium species - pink / yellow / red / orange, other than above
 - 44c- Phragmipedium species - green / brown, other than above
 - 44d- Phragmipedium hybrid - long petal types (e.g. Phrag. caudatum hybrids)
 - 44e- Phragmipedium hybrid - pink / white, other than above
 - 44f- Phragmipedium hybrid - red / yellow / orange, other than above (e.g. Phrag. Besseae hybrids)
 - 44g- Phragmipedium hybrid - green / brown, other than above
 - 44h- Cypripedium and allied genera species, hybrids and intergenerics other than above, including Mexipedium and Selenipedium
- (1) P. armeniacum, P. bellatulum, P. concolor, P. delenatii, P. emersonii, P. godfroyae, P. malipoense, P. micranthum, P. niveum, etc.
 - (2) P. adductum, P. glanduliferum, P. haynaldianum, P. kalopakingii, P. lowii, P. parishii, P. philippinense, P. randsii, P. rothschildianum, P. sanderianum, P. stonei and P. supardii, etc.
 - (3) P. barbigerum, P. charlesworthii, P. druyi, P. exul, P. fairrieanum, P. gratixianum, P. helenae, P. henryanum, P. hirsutissimum, P. insigne, P. spicerianum, P. tigrinum and P. villosum, etc.
 - (4) Color in Paphiopedilum hybrids is based on the dominant color of the petals and labellum, not the dorsal sepal

<p>Best of Cypripedium Alliance (classes 33 to 44b)</p>
--

VANDA ALLIANCE

- 45 - Aerangis species, hybrids and intergenerics
- 46 - Aerides species, hybrids and intergenerics other than above
- 47 - Angraecum species, hybrids and intergenerics other than above
- 48 - Arachnis species, hybrids and intergenerics other than above
- 49 - Ascocentrum species and intrageneric hybrids

- 50 - Ascocenda, Yellow/Orange
- 51 - Ascocenda, Red
- 52 - Ascocenda, Other colors than above
- 53 - Ascocentrum intergenerics other than above
- 54 - Rhynchostylis species, hybrids and intergenerics other than above
- 55 - Renanthera species, hybrids and intergenerics other than above
- 56 - Vanda species
- 57 - Vanda hybrids, terete and semi-terete leaf
- 58 - Vanda hybrids, strap leaf
- 59 - Vanda hybrids and intergenerics other than above, but excluding Doritis and Phalaenopsis
- 60 - Allied Vanda genera, species, hybrids and intergenerics other than above, but excluding Doritis and Phalaenopsis

Best of Vanda Alliance (classes 45 to 60)
--

PHALAENOPSIS AND DORITIS

- 61 - Doritis species, hybrids and intergenerics excluding Phalaenopsis
- 63 - Phalaenopsis species
- 64a - Phalaenopsis hybrids and Doritaenopsis, White, no markings (5)
- 64b - Phalaenopsis hybrids and Doritaenopsis, White, with colored lip, no markings (5)
- 64c - Phalaenopsis hybrids and Doritaenopsis, White with markings (5)
- 64d - Phalaenopsis hybrids and Doritaenopsis - multiflorals – White with or without markings (5) (6)
- 64e - Phalaenopsis hybrids and Doritaenopsis, Pink, no markings (5)
- 64f - Phalaenopsis hybrids and Doritaenopsis, Pink, with markings (5)
- 64g - Phalaenopsis hybrids and Doritaenopsis - multiflorals – Pink, with or without markings (5) (6)
- 65a - Phalaenopsis hybrids and Doritaenopsis, Yellow, no markings (5)
- 65b - Phalaenopsis hybrids and Doritaenopsis, Yellow, with markings (5)

- 65c - Phalaenopsis hybrids and Doritaenopsis - multiflorals – Yellow, with or without markings (5) (6)
- 65d - Phalaenopsis hybrids and Doritaenopsis, Red, no markings (5)
- 66a - Phalaenopsis hybrids and Doritaenopsis, Red, with markings (5)
- 66b - Phalaenopsis hybrids and Doritaenopsis - multiflorals – Red, with or without markings (5) (6)
- 66c - Phalaenopsis hybrids and Doritaenopsis, Any other color, no markings (5)
- 66d - Phalaenopsis hybrids and Doritaenopsis, Any other color, with markings (5)
- 66e - Phalaenopsis hybrids and Doritaenopsis - multiflorals – Any other color, with or without markings
- (5) (6)
- 77 - Phalaenopsis – intergeneric hybrids other than above
- (5) Markings : spots, bars, stripes or blush
- Multiflorals have numerous flowers 2,5 inches (6 cm) in diameter or less on branched inflorescences when mature (ex. :
(6) P equestris hybrids)

<p>Best of Phalaenopsis and Doritis (classes 61 to 77)</p>

ONCIDIUM ALLIANCE

- 78 - Brassia species, hybrids and intergenerics including Miltassia and Aliceara
- 79 - Miltonia and Miltoniopsis species
- 80 - Miltonia and Miltoniopsis hybrids
- 81 - Miltonia and Miltoniopsis intergenerics other than above
- 82 - Odontoglossum species including Lemboglossum, Osmoglossum and Rossioglossum
- 83 - Odontoglossum hybrids including Lemboglossum, Osmoglossum and Rossioglossum
- 84 - Odontoglossum intergenerics other than above
- 85 - Oncidium species except Equitants
- 86 - Oncidium hybrids except Equitants
- 87 - Oncidium Equitant species (Tolumnia and allied genera)

- 88 - Oncidium Equitant hybrids (Tolumnia and allied genera)
- 90 - Oncidium intergenerics other than above
- 91 - Allied Oncidium genera species, hybrids and intergenerics other than above

Best of Oncidium Alliance (classes 78 to 91)

CYMBIDIUM ALLIANCE

- 92 - Cymbidium species
- 93 - Cymbidium standard hybrids, White with or without markings
- 94 - Cymbidium standard hybrids, Yellow/Orange with or without markings
- 95 - Cymbidium standard hybrids, Red with or without markings
- 96 - Cymbidium standard hybrids, Violet/Mauve/Purple with or without markings
- 97 - Cymbidium standard hybrids, other colors with or without markings
- 98 - Cymbidium miniature hybrids, White with or without markings
- 99 - Cymbidium miniature hybrids, Yellow/Orange with or without markings
- 100 - Cymbidium miniature hybrids, Red with or without markings
- 101 - Cymbidium miniature hybrids, Violet/Mauve/Purple with or without markings
- 101a - Cymbidium miniature hybrids, other colors with or without markings
- 102 - Allied Cymbidium genera; species, hybrids and intergenerics other than above

Best of Cymbidium Alliance (classes 92 to 102)

DENDROBIUM ALLIANCE

- 103 - Dendrobium species - Nobile type
- 104 - Dendrobium species - Phalaenopsis and Antelope type
- 105 - Dendrobium species - Nigrohirsute type
- 105a Dendrobium species - Other types
- 106 - Dendrobium hybrids - Nobile type

- 107 - Dendrobium hybrids - Phalaenopsis and Antelope types
- 108 - Dendrobium hybrids - Nigrohirsute type
- 108a - Dendrobium hybrids - Other types
- 109 - Allied genera, including Bulbophyllum ; species, hybrids and intergenerics other than above

Best of Dendrobium Alliance (classes 103 to 109)

PLEUROTHALLID ALLIANCE

- 110 - Masdevallia species
- 110a - Masdevallia hybrids and intergeneric hybrids
- 110b - Dracula species
- 110c - Dracula hybrids and intergeneric hybrids other than above
- 111 - Pleurothallis and allied genera, species other than above
- 111a - Pleurothallis and allied genera, hybrids and intergeneric hybrids other than above

Best of Pleurothallid Alliance (classes 110 to 111)
--

OTHER GENERA

- 112 - Lycaste species, hybrids and intergenerics
- 113 - Maxillaria species, hybrids and intergenerics other than above
- 114 - Zygopetalum and allied genera species, hybrids and intergenerics other than above
- 115- Catasetum, Cychnoches, Mormodes and allied genera species, hybrids and intergenerics other than above
- 116a - Jewel orchids in flower
- 116b - Orchids grown for their foliage
- 117 - Orchid species, hybrids and intergenerics not covered elsewhere
- 119 - Seedling flowering for the first time, classes 15 to 117

Best of Other Genera (classes 112 to 119)
--

ARTISTIC DIVISION (*)

- 300 a- Paintings, professionnal (*)
- 300 b- Paintings, amateur (*)
- 300 c- Watercolors, professionnal (*)
- 300 d- Watercolors, amateur (*)
- 301 - Drawings (*)
- 301 a- Children's artistic works (to 12 years old), any medium (*)
- 302 a - Photographs, professionnal (*)
- 302 b - Photographs, amateur (*)
- 303 - Ceramics, china, sculptures – Professionnal (*)
- 304 - Ceramics, china, sculptures – Amateur (*)
- 305 - Jewellery, castings, metal art (*)
- 306 - Needlepoint, tapestries, other ornamental tissue works (*)
- 307 - Slides / Digital photos (only for members of les Orchidophiles de Montréal (*)
- 400 - Fragrance (*) (Stand 215)
- 309 - Other than above (*)

<p>Best Artistic work (300 to 306 and 309) (*) Best Fragrance (class 400, Stand 215) (*) Best slide / Digital photo (307) (*)</p>
--

(*) prizes awarded by Les Orchidophiles de Montréal
